A day at YSP

Yorkshire Sculpture Park is located in the 500-acre Bretton Estate. If you have a full day (or two!), you'll have time to explore the whole park and all the sculptures within it, along with various galleries displaying temporary exhibitions.

Our outdoor collection comprises long and short-term loans, site-specific commissions and gifts from individuals and artists.

At YSP Centre, explore the latest exhibition in the Upper Space, enjoy a meal in The Kitchen with views across the valley, or a light bite at The Coffee Shop. Follow this with a browse in the YSP Shop, featuring a unique selection of products from international artists, contemporary designers and makers.

Next to YSP Centre, you'll find major temporary exhibitions in the large Underground Gallery. There's also the historic Formal Garden and Terrace where you can enjoy stunning views across the landscape.

Across the park, The Weston includes The Weston Gallery, Restaurant, Rock Garden and Terrace and The Weston Shop.

To the west, YSP Learning incorporates The Café, Garden and Hayloft Studios, and Hidden Forest, where often at weekends and during the holidays, you'll find drop-in or pre-booked events for all the family. See ysp.org.uk/events for details.

In the middle of the park, the Lower and Upper Lakes and surrounding woodland provide tranquil walks. Discover bridges, follies and incredible historical features including a Greek-style summer house, a now land-locked Boat House, an Obelisk, Stepping Stones and a magical Shell Grotto. A circular walk around the lakes takes approximately two hours.

Experience YSP like never before. Hear from artists, follow suggested routes, enjoy family activities and more.

Go to ysp.org.uk or your mobile app store to download the free Bloomberg Connects app and access our digital guide.
