

Walk of Art 2

Where we are and where we want to be

Put your name down today on Walk of Art 2

We are building Walk of Art 2 in phases. Phase 1 was laid down in May 2019. We have since aimed to lay a new batch each year. A total of 10,000 names, set on 200 plates, are needed to create the Walk of Art 2 and once they are filled this artwork will be complete.
