

Walk of Art 2

Where we are and where we want to be.

We are building *Walk of Art 2* in phases. The plates forming phase 1 were installed May 2019, phase 2 was installed November 2020, and phase 3 will be installed in early 2022.

A total of 10,000 names – set on 200 plates – are needed to create *Walk of Art 2* and once they are filled this artwork will be complete.
