## ED KLUZ: SHEER FOLLY – FANCIFUL BUILDINGS OF BRITAIN

11 November 2017–25 February 2018

YSP Centre  
#EdKluz

Artist, illustrator and printmaker Ed Kluz presents *Sheer Folly – Fanciful Buildings of Britain*, a celebration of the eccentric, uncanny and overlooked follies, temples and towers that dot the British landscape.

Featuring egg tempera paintings, collages, scraper boards and prints, the exhibition takes inspiration from fantastical and fanciful buildings across the UK, including the artist's native North Yorkshire and YSP's 500-acre, 18th-century parkland. A limited edition print, exclusive to YSP, features the lost Belle Vista tower which once stood in the grounds of Bretton Hall.

Vibrant, meticulous and sometimes dark aspects of Kluz's work reflect the many different characters and styles of British architecture over the last 500 years. In *Sheer Folly – Fanciful Buildings of Britain*, the artist depicts a varied collection of some of the most intriguing oddities, often hidden and forgotten, within the folly genre. Celebrated and familiar buildings also feature, including a series of six prints directly inspired by The Landmark Trust properties.

All works are available to buy, along with an exclusive range of merchandise for YSP Shop including a silk scarf, tote bag, mugs and side plate. Shop in store or online at [ysp.org.uk/shop](http://ysp.org.uk/shop)

## PRICE LIST

## ED KLUZ EVENTS

---

### ED KLUZ: IN CONVERSATION

10 Feb 2018 / 13.30–14.30

£10, YSP Members £8

Hear Ed Kluz and architectural historian Olivia Horsfall Turner discuss their new book *The Lost House Revisited*. They'll share stories of a few of the most extraordinary lost houses featured in the book and how, through research and collaboration, they have shed new light on this intriguing area of history. The event will be followed by a book signing.

### PAPER COLLAGE WORKSHOP WITH ED KLUZ

24 & 25 Feb 2018 / 10.00–16.00

£210, YSP Members £205

Join Kluz for a two-day workshop to design and create your own collages. You will discover how to make your own coloured and textured paper, and explore abstract and figurative ways of using paper collage.
