

This project, titled **This is Water**, comprises written works around the YSP landscape and is part of a prolific street-writing campaign that Kate has embarked on to share positive, thought-provoking messages and ideas.

Discover these works around the Park, including on walls, fences and tree-stumps. The locations of works indicated on this map are abstract and approximate and, as the project is ephemeral, the texts may now have disappeared.

Kate Daudy Nine Days in Arcadia: A Psychological Landscape
