

Tell a story

Who lives here?

What sound might you hear?

What just happened?

What might happen next?

OPEN
ME

Open up this leaflet and you
will find a space to draw,
doodle and tell stories.

Draw something from
the exhibition that you
are curious about.

Australian artist Jordy Kerwick's
work brims with colourful and
magical creatures.

His paintings and sculptures
explore storytelling and
imaginary worlds.

...that makes me feel a little scared

...that makes me feel happy

...made of stone

...that has more than one head

...that has lots of colours

...that is noisy

I spy something...

Go for a walk

Go to see *Hydra vs Bear*, located near the
Underground Gallery. This is about
1.5km from The Weston.

On your journey imagine you are a real or mythical
creature.

You might be...

A bear with butterfly wings, a swan that sings,
or a two-headed dragon who is very shy.

Move how your creature would – maybe crawl, glide
or stomp.

Tell your story

Where are you from? What is your power?
What do you like to do?

How could you help *Hydra vs Bear*?
