About YSP

Yorkshire Sculpture Park's mission is to make great art accessible to everyone. Open-air sculptures, sited within an inspirational outdoor landscape, and our exhibitions programme offer unique learning opportunities for schools, colleges & universities. Teacher-led educational visits are welcome year-round to enjoy the Park throughout the changing seasons and exhibitions programme.

YSP's driving purpose for 40 years has been to ignite, nurture and sustain interest in and debate around contemporary art and sculpture, especially with those for whom art participation is not habitual or familiar.

YSP presents an inspiring opportunity for your group to consider sculpture in the landscape and evaluate art's role and relevance in society today.

YSP has over 80 sculptures sited within 500 acres of parkland, including works by artists Henry Moore and Barbara Hepworth, and our world-class exhibitions programme of contemporary

sculpture expands across five indoor galleries. To plan your visit and to discover our diverse exhibitions for the coming year, please visit yvsp.org.uk

We strongly recommend that teachers visit YSP beforehand to prepare for their class visit. Information is included on the following pages to enable teachers to complete their own risk assessment.

For further information about our facilitated Schools and Colleges programme, as well as ideas of how your teacher-led visit can be aligned to Arts Award and Artsmark criteria and available CPD opportunities, please contact Kathryn Brame, Formal Learning Programmer on kathryn.brame@yvsp.org.uk / +44 (0)1924 832540

Staff with teacher-led groups must check in at the ticket check point on arrival. This is located on the driveway before you reach the drop off point at the Main Visitor Centre.

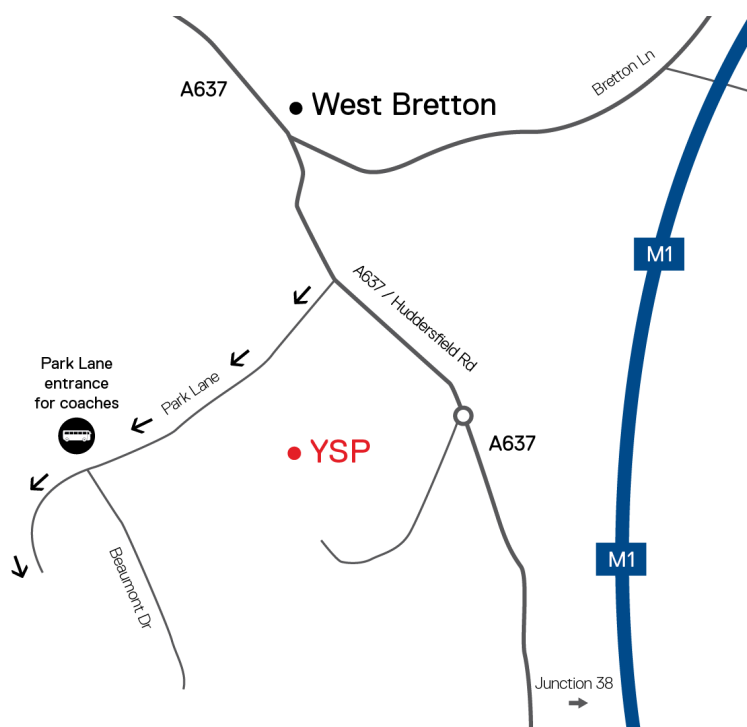

You will be provided with a site map and YSP staff will be happy to answer any questions you may have regarding your visit.

Coaches must then park in our coach park accessed via our Park Lane entrance - please see map on right. On arrival, the entrance gate will be closed and a member of YSP staff will open the gate to let the coach on site. If your coach needs to leave YSP during your visit, coaches must drive up to the entrance gate where automatic sensors will trigger the gate to open. On re-entry, coach drivers will be let back in by a member of the outdoor gallery team, or can ring YSP Learning on **+44 (0)1924 832528** to gain access.

Facilities and Accessibility

Toilets

There are public toilet facilities (including accessible toilets) at the main Visitor Centre, YSP Learning, The Bothy and The Weston. There is also a Changing Places toilet at YSP Learning if required.

When using the toilets, teacher-led groups are required to divide down into smaller groups (10 students & 1 adult) when entering any YSP buildings, to avoid overcrowding.

In the interest of child protection and safety, pupils under 16 must be supervised by an adult when using toilet facilities.

Picnic

Teacher-led groups are welcome to have lunch in our designated open-air picnic areas or on the grass. Please don't disrupt other visitors by picnicking too close to the sculptures. We also ask that visitors dispose of rubbish responsibly in the bins on site, or take back with you on your coach. We regret that our indoor lunchroom cannot be pre-booked by teacher-led groups, as priority is given to groups participating in artist-led sessions.

Food & Drink

There is a takeaway café at YSP Learning selling sandwiches and hot and cold drinks, and a larger canteen style café at the main YSP Visitor Centre selling hot and cold food and drinks. **Please note** we regret that visiting school/college groups cannot eat packed lunches in the cafés.

The Restaurant at The Weston offers table service and is not suitable for school/college groups.

Shop

Our shop stocks a limited range of pocket-money souvenirs suitable for school children. A small selection of souvenirs are also available to purchase in the café at YSP Learning.

Accessibility

Some areas of the Park can be difficult to access due to uneven terrain. Please let us know at point of booking about any access needs your group may have. Please speak to our Learning Programme Coordinator on learning@yosp.org.uk / +44 (0)1924 832528.

We offer free use of wheelchairs, subject to availability – please call ahead on +44 (0)1924 832631.

Take Care in the Landscape

Open Water

There are a number of open water areas within the Park that are identified on our free map and guide. Buoyancy aids are located at several areas surrounding open water. Please take extra care when supervising in these areas.

Inclement Weather

We advise visiting groups to dress appropriately – please see below. Remember never to shelter under tree canopies in high winds. Do not climb the trees as this could damage our ancient trees and cause harm if the person were to fall.

“There is no such thing as bad weather, only inappropriate clothing”

YSP is an outdoor gallery and covers a vast area, which means you may spend a large part of your day outdoors. It’s important your group stays warm and comfortable while enjoying the parkland. Our grounds can become very muddy in winter, please ensure your group wears appropriate footwear with good grip. Be prepared for all types of weather. In cold weather we advise thick socks, warm waterproof coats, hats, scarves and gloves. In warm weather wear a sun hat, use sun protection, drink plenty of water and bring water bottles to refill.

Please note that during summer months, there are high levels of pollen across the Park.

Livestock

YSP has a lot of grazing animals throughout the Park. Please do not approach or try to feed the animals. Alternative routes are in place to avoid grazing cattle. Always wash your hands or use hand sanitiser after coming into contact with areas which have livestock, especially before eating.

Nesting Birds and Insects

There are many nesting birds and insects which migrate around the parkland. Do not approach nesting birds. Please keep to designated pathways when in woodland areas.

YSP is a Busy Working Park

Please keep clear of horticultural machinery and watch out for moving vehicles. Please obey warning signage and diversion routes if posted.

Non-Public Access Areas

Some areas within the grounds are signed as private. These areas should not be entered unless accompanied by YSP Staff.
